

HOT BAND BOYS

HBB BUZZ | Crew Love

By: Mykell Bowden

We all love band members. I mean, it's a pretty huge part of this website. But there's a team of people behind those band members that help keep things running. You see them at every show, but probably don't give them a second thought. However, without them, our favorite bands would be struggling with ALOT of things. So without further ado, here's a list of some pretty fantastic crew members.

6. Ben Packard

Position: Tour manager for a pretty extensive list of people, but mainly Hollywood Ending, Before You Exit, and Kalin & Myles

I'm pretty sure Ben has about two days off every year. He is always on the road T Ming for one of his artists. He takes on a lot and always seems to have it balanced. He also has some pretty quality tweets sometimes.
